## Experience

February 2000–Present

Vice-President • Allco Fullerton Insurance Agency, Inc.

Serving my clients these past 18 years has given me a great sense of fulfillment as I strive daily to focus on treating every interaction as an opportunity to make a positive difference in their life. My passion to serve and educate has come from my belief that God has given me this opportunity so as I honor Him with my work, it will always be good. This same principle guides me as a team leader and business partner.

## Background

My parents are missionaries in Guatemala, where they have been since I was 2 years old. It was there that I grew up and experienced a life of service to others. I've lived in Southern California since I started attending college in 1995, and currently reside in Placentia with my wife Michelle and our 4 children
